

Become a SAFER Volunteer.

Because survivors
deserve our **support**
NOT our scrutiny.

END VICTIM BLAMING

You can give support at a time when someone is in need.

You can make a difference.

- Become a volunteer who advocates for child victims of sexual abuse and adult survivors of sexual assault or domestic violence
- Complete a 30 hour training course with The Safe Center
- Volunteers are scheduled to be on-call for 12 hour shift to assist victims at any of the local Nassau County hospitals.
- Volunteers are asked to serve a minimum of 2 shifts (12 hours each) per month. There are also periodic supervisory meetings.

Please contact Diane Harvey at 516.465.9285 for further information.

The Safe Center's services are available for all persons regardless of race, creed, color, national origin, sex, sexual orientation, gender identity or expression, military status, marital status, disability, or age.
