**THE SAFE CENTER LI RECEIVES \$15,000 GRANT FROM THE WE CARE FUND
OF THE NASSAU BAR FOUNDATION**

Bethpage, NY - The Safe Center is pleased to announce it has received a \$15,000 grant from the WE CARE Fund to support the Language Line Project.

With WE CARE's support the Language Line Project was first initiated in August of 2006 allowing our clients to access services despite language differences. The Language Line has proven to be an invaluable tool for our clients, allowing us to communicate with virtually any

hotline caller on a 24-hour/seven day basis, as well as with in-person clients, and to assess each situation and provide the most appropriate intervention despite language differences.

“The generous support of the WE CARE Fund has allowed us to continue providing this critical service to our clients.” said Cindy Scott, Executive Director of The Safe Center. “WE CARE’s support helps clients prepare for a life free of violence for themselves and their children.”
