# THE TRAINING INSTITUTE AT THE SAFE CENTER

---

## Continuing Education Credit Courses for Social Workers

---

**July 15, 2015 10am - 12pm cost \$20**

**WATCH THE GAP: HOW INCOME  
INEQUALITY AFFECTS CHILDREN,  
FAMILIES AND COMMUNITIES (2 credit hrs)**

Being of Low Socio-Economic Status can impact a child's development on cognitive, emotional and physical levels. Working with low SES children and families can be challenging. We will discuss the prevalence of poverty, how it affects the developing brain, and what we need to do at the micro and macro levels to make a difference.

**July 29, 2015 10am - 12pm cost \$20**

**OVERVIEW OF HUMAN SEX TRAFFICKING  
(2 credit hrs)**

This is a "101" course designed to give professionals information on the dynamics of sex trafficking, what the warning signs are in victims and what trafficking looks like here on Long Island, as well as an overview of the Nassau County response to trafficking and the services available to victims.

**August 12, 2015 9:30am - 1pm cost \$35**

**ADVERSE CHILDHOOD EXPERIENCES AND  
THE NEUROBIOLOGY OF TRAUMA  
(3.5 credit hrs)**

Abuse and Neglect in childhood can affect a child physically, cognitively, socially and emotionally, and raise risk for poor health outcomes throughout the lifespan. We will look at the landmark ACE (Adverse Childhood Experiences) study and examine its implications for our work.

**THE SAFE CENTER** is proud to announce that we are now approved to provide workshops with social work CEUs to area professionals. We will be offering a variety of trainings based on the latest research in the areas of domestic violence, child abuse, sexual assault, sex trafficking, and the effects of trauma on individuals and families.

To register for a workshop, please email Courtney Murphy at [cmurphy@tscli.org](mailto:cmurphy@tscli.org)

*The Safe Center LI is recognized by New York State Education Department State Board for Social Work as an approved provider of continuing education for licensed social workers.*
